TRUMP WON !!!

Thanks to God and to all of you, and to American citizens everywhere! We did it. DONALD J. TRUMP is headed to the White House — again! AND, he still needs our prayers to actually get there.

Danny Reitmeier candidate for Macon County Board of Education, spoke to our club in our October meeting.

He described himself as a Christian, parent, and businessman. He volunteers with student sports and wants to ensure athletes play on their birth gender athletic teams. He also wanted to improve bus/transportation issues in our County.

He feels his new vision and new voice would have been most beneficial. However, he was defeated in the election by Jim Breedlove.

Signs for Trump and numerous Republican candidates were everywhere. Little ones, big ones, homemade ones and even lots of Democrat ones.

After the election, our volunteers covered the county retrieving all our campaign signs.

Now comes a decision, do we discard them or save them for years to come.

441 South, Ga. Rd.,
store front gave us
great exposure.

Good fortune came our way when we were able to acquire store front space on 441 South (1787 Georgia

Road). We opened that location on Patriot Day, September 11, 2024. We have had many Republicans “manning” the location, distributing signs, selling T-shirts, baseball caps, bumper stickers, etc. Some of the volunteers include Pat Hubble, Wilda McDaniel, Vivian Honey, Barbara Curtis, Patty Howells, Susan Pons and Linda Herman.

During the seven weeks we were open, we were able to assist many residents to get registered to vote, and also shared sample ballots with them.

After the “Honk If You’re Voting For Trump” sign was positioned out front, one could hear horns blowing all hours of the day.
